

Instructional Course Lecture (ICL-Kochi) Under the Aegis of SICOT India

We welcome you for the Instructional Course Lecture-Kochi, summer session. ICL Summer session will be held on April 28-29th at IMA House, Cochin, Kerala, India. The Course is aimed for Consultants and Post Graduates to have a quick review on the Current Concepts in all specialities of Orthopaedics with emphasis on Evidence Based Practice Guidelines.

The concept of this course is derived from the highly popular ICLs of the American Academy of Orthopaedic Surgeons (AAOS). For the benefit of trainees and budding surgeons, the topics are integrated based on Current exam pattern of MS, DNB, DipSICOT, MRCS and FRCS (Tr and Orth) and a total of 50 very popular topics in various sub-specialities will be covered from 8am to 6pm. In addition to Instructional lectures, there will also be surgical and research workshops for enhancement of skill.

Venue: IMA house, Kaloor, Kochi

Dates: April 28 - 29, 2012

- 28th of April and 29th morning session: Current Concepts Review in all sub specialities of Orthopaedics
- Post lunch session on 29th of April: exclusive for post graduates, consisting of clinics, exam bays, quiz, principles of rehabilitation etc.

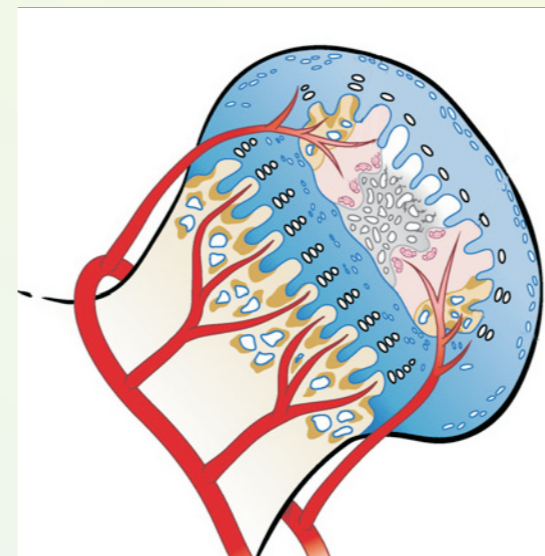

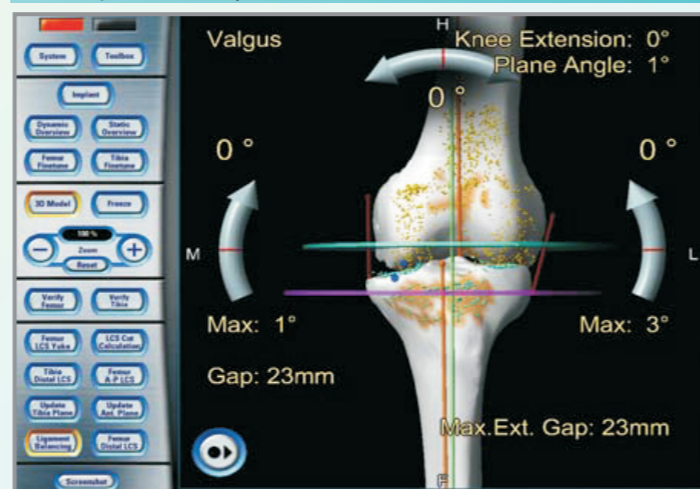

Since this course focuses on the Current Concepts in Orthopaedics, we have the best faculty in each sub-speciality of Orthopaedics. The following are some of the faculty:
