

APROC 2017

ASIA PACIFIC REGIONAL ORTHOPAEDIC COURSE

*ORTHOPAEDICS
MADE EASY*

JANUARY 7 & 8, 2017

HOTEL LE MERIDIEN, PUNE

WELCOME MESSAGE

Welcome to the Asia Pacific Regional Orthopaedic Course 2017

Dear Colleague,

The Asia Pacific Regional Orthopaedic Course (APROC) is an initiative of SICOT to promote learning sans borders and across borders. The best teachers in different specialties of Orthopaedics come together at one locale to impart their expertise, knowledge and perhaps wisdom at this course. Team SICOT India along with Pune Orthopaedic Society (POS) have jointly planned APROC 2017 on 7th & 8th January, 2017 in Pune.

The theme for APROC is "Orthopaedics Made Easy" and this will help the participant in understanding the basic principles for managing difficult cases in day to day practice as also their use in complex situations for best results. The scientific program includes academic modules on Trauma & different subspecialties in Orthopaedics.

The finest national & international faculty will be with us ever so keen to share all that they have learnt and acquired by their knowledge and through their life time experiences.
